On May 23, 2007, the parties submitted a proposed Global Settlement Agreement and Exhibits for preliminary approval. The Global Settlement Agreement was accompanied by a Joint Motion for Preliminary and Final Approval of the Global Settlement Agreement, Complainant's Brief in Support of Request for Preliminary Approval of the Global Settlement Agreement and the Declaration of Class Counsel. I have reviewed the Joint Motion for Preliminary and Final Approval of the Global Settlement Agreement, the Global Settlement Agreement, all Exhibits to the Global Settlement Agreement, Complainant's Brief in Support of Request for Preliminary Approval of the Global Settlement Agreement and the Declaration of Class Counsel and considering these documents in their entirety, the mutual request of the parties for preliminary approval is hereby **GRANTED**. Within thirty (30) days of the issuance date of this Order, the parties shall send out the Global Settlement Notice of Resolution as set forth in **Section 4.1.1** of the Global Settlement Agreement. The parties shall ensure that the time frame set forth within the Global Settlement Notice of Resolution for filing objections with the Administrative Judge conforms with the Commission's regulations found at 29 C.F.R. §1614.204 (g)(4).
